

Ayur-Ashwaganda

DESCRIPTION

Ayur-Ashwaganda, provided by Douglas Laboratories, supplies 300 mg of ashwaganda in each capsule to support stress and adrenal function.

FUNCTIONS

Withania somnifera, also known as ashwaganda, is a traditional herb used in Ayurvedic medicine. It is used as a general tonic, to support energy production and improve mental and physical performance. The active ingredients in ashwaganda, withanolides, are thought to have calming properties that can support the body during times of emotional and physical stress.

INDICATIONS

Ayur-Ashwaganda may be a useful dietary adjunct for individuals wishing to supplement with this herb for stress support.

FORMULA (#7670)

1 Capsule Contains:

Ashwaganda (root) 300 mg
(*Withania somnifera*, standardized to 7% withanolides and 1% alkaloids)

SUGGESTED USE

Adults take 1 capsule daily or as directed by a healthcare professional.

SIDE EFFECTS

No adverse side effects have been reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
