Vitamin D Gummy

CONVENIENT VITAMIN D GUMMY TO PROMOTE HEALTHY IMMUNE AND CELLULAR FUNCTION FOR AGES 4 AND UP†

GREAT-TASTING NATURAL RASPBERRY FLAVOR

The role of Vitamin D in immune health has long been established. Vitamin D receptors are found on a number of immune cells, including lymphocytes and macrophages, and support healthy immune cell activation.^{1,2} In addition, a meta-analysis of 25 trials indicates that vitamin D supplementation supports respiratory health.^{3†}

Vitamin D Gummy offers 25 mcg (1,000 IU) of vitamin D combined with an organic berry/fruit blend to support:

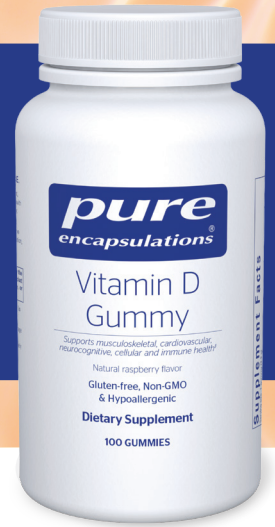

Healthy immune function[‡]

Cellular health and metabolism[‡]

Healthy bone composition[‡]

Formulated for patients who need additional **immune, cellular, or bone support.**[‡]

Each gummy contains the same amount of vitamin D as **5.28 oz. of salmon.**^{*}

Support your patients' defense systems with this convenient gummy from the **#1 most recommended brand** by health care professionals.^{‡‡}
